## ORDER

**THIS MATTER** is before the Court on its review of the docket in this matter.

Pro se Plaintiff filed a complaint in this matter on July 20, 2022. (Doc. No. 1). The Court denied Plaintiff's initial motion to proceed in forma pauperis (IFP) without prejudice to amending his application or paying the filing fee. (Doc. Nos. 2, 3). Plaintiff timely filed an amended IFP motion, (Doc. No. 4), which this Court denied. (Doc. No. 5). The Court ordered Plaintiff to pay the filing fee in this matter by September 22, 2022, and advised Plaintiff that this case would be dismissed without further notice, and without prejudice, should Plaintiff fail to comply with the Court's Order. (Id. at 2). Plaintiff has not complied, and the deadline to do so has expired. Thus, the Court will dismiss this action.

**IT IS THEREFORE ORDERED** that this action is hereby **DISMISSED** without prejudice.

The Clerk of Court is instructed to terminate this proceeding.

IT IS SO ORDERED.

Signed: December 8, 2022
